

NYSA GLOBAL

BUSINESS INVESTMENT AND SKILLED BASED MIGRATION
ADVISORY

INDIA | 2021

Nysa Global thanks you for the opportunity to introduce its global investment and immigration services.

Nysa Global is a specialised practice business investment and skilled based migration to many countries including the United States of America , Canada, UK and Europe working with investors from India, Southeast Asia, China and Latin America to help families realize their dreams of becoming permanent residents in their country of choice.

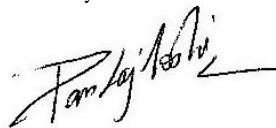

Investment immigration is fast gaining popularity with resident Indians with demand seeing a tremendous increase over the last several years.

Investment immigration is a complex and prolonged journey - investment immigration opportunities need to be understood and key risks identified and mitigated, Nysa Global has both deep experience and subject matter knowledge that places us in a strong position to advise prospects.

Nysa Global is proud to have been on the forefront of this global phenomena – having introduced many first's in India – the first mass marketed project, the first third party managed project, and the only expedited US investment immigration project. We are also proud that we are associated with the top securities & immigration attorneys in the world and facilitate their services to our clients. Nysa has introduced many investment immigration opportunities in India and the Middle East region. Nysa is responsible for project promotions, providing all documentation and information of the projects, coordinating the application and related documents necessary for both immigration and investment and acts as the point of contact between investments and the clients in our markets.

We look forward to working with you and your family in achieving your global objectives.

Thank you.

Pankaj Joshi | Managing Director
